**Great Sandy Marine Park**  
The Fraser Island Section of Great Sandy National Park is surrounded by Great Sandy Marine Park. Visit [www.npsr.qld.gov.au/parks/great-sandy-marine](http://www.npsr.qld.gov.au/parks/great-sandy-marine) for further information.

**Be croc wise**  
Estuarine crocodile sightings have been reported on the west coast of Fraser Island and the Great Sandy Strait.  
• Camp at least 50 metres from the water's edge.  
• Never clean fish or discard fish or food scraps near the water's edge, campsites or boat ramps.  
• Take care when launching or retrieving your boat.

Caution: Moon Point to Towoi Creek—soft boggy sand and deep creek crossings; potentially dangerous.

**WARNING**  
Look and listen for aircraft landing and taking off along the eastern beach.

Marine stingers are present in the ocean, especially in the summer months. Swimming is not recommended.

Caution: Soft boggy sand on the Indian Head bypass track.

Caution: Deep wash-outs at mouth of Eli Creek. Beach passable 2 hours either side of low tide.

**Great/Walk**

**Be Dingo-Safe!**

- NEVER feed dingoes.
- Always stay within arm's reach of children, even small teenagers.
- Walk in groups.
- Do not run. Running or jogging can trigger a negative dingo interaction.
- Camp in fenced areas when possible.
- Lock up food stores and iceboxes (even on a boat).
- Never store food or food containers in tents.
- Secure all rubbish, fish and bait.

Follow dingo safety advice provided with permits and on signs throughout the island.
