

Restricted access area

# No entry or swimming

## Protecting the glow-worm colony and bat habitat

Access to the cave beyond this fence and the creek is prohibited to protect the glow-worm *Arachnocampa flava* colony and little bent-wing bats, *Miniopterus australis*.

Human disturbance threatens their survival.

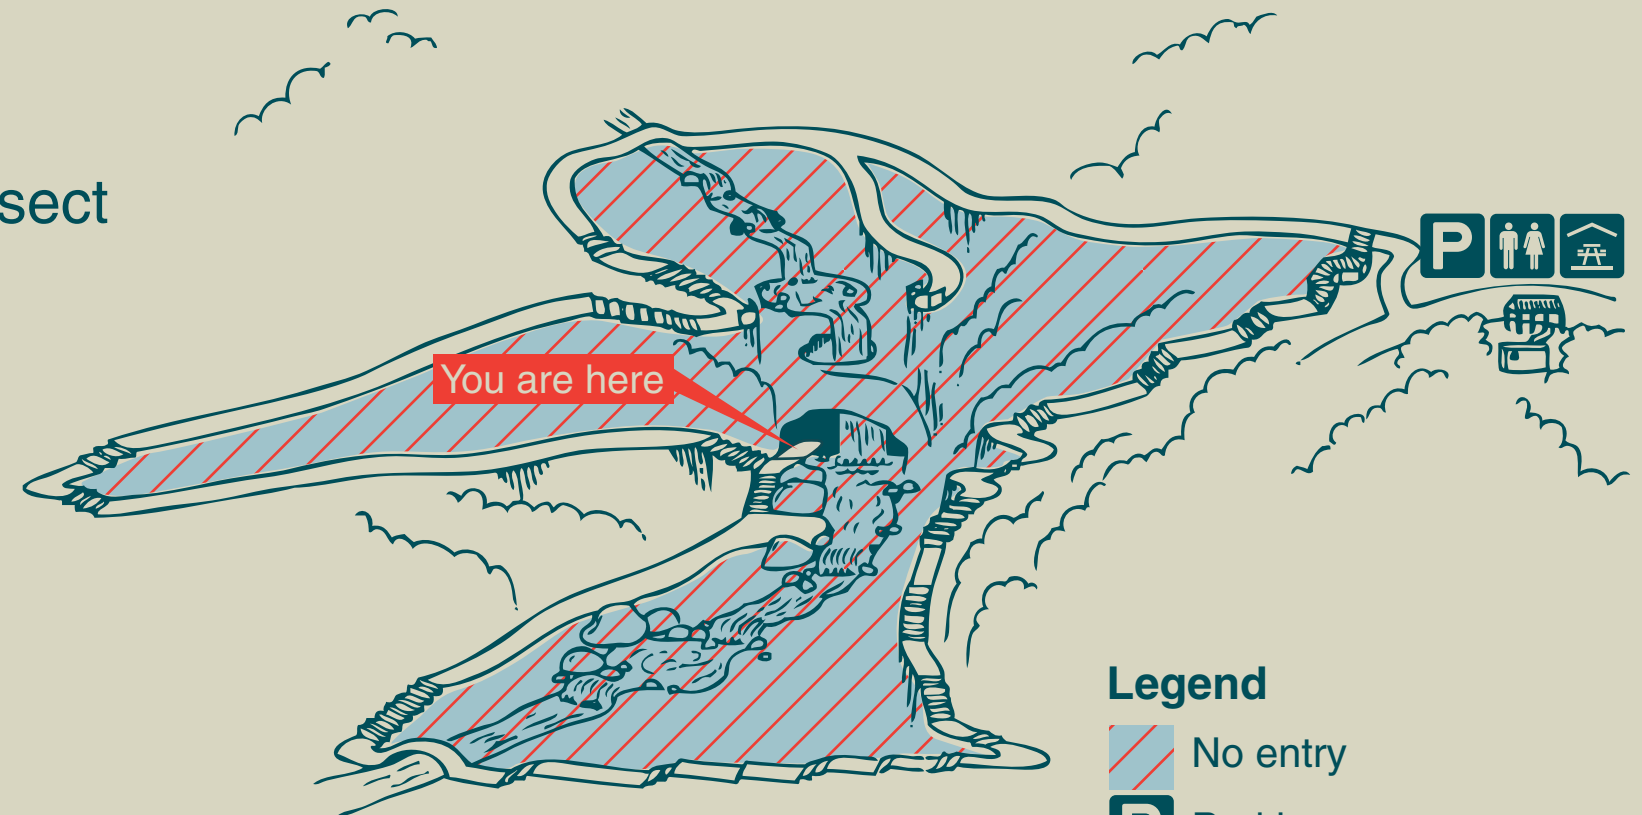

- Smoke from cigarettes or fires, bright lights and insect repellents can kill glow-worms.
- Disturbing roosting little bent-wing bats prevents successful breeding and survival of their young.

Do not enter or remain in this area without a permit or written approval.

Contravention of the requirements of this regulatory notice is an offence against the *Nature Conservation Act 1992*.

Maximum penalty: 80 penalty units. On-the-spot-fines apply.

For further information, please contact 13 74 68 (13 QGOV).
